Welcome to our 20th annual conference!

While the COVID pandemic prevents us from seeing you in person, we remain very excited about the opportunities to learn from nationally recognized medical experts, sharing the latest advancements in research, treatment and care — from the comfort and safety of your home.

So get comfortable, forget about the weather, grab a cup of your favorite beverage and get ready for a full day of learning!

We are certain you will find the conference inspiring, rewarding and meaningful.

If you need technical support during the event, please call 612-910-5151.

Keynote Speakers

TUFIA C. HADDAD, MD

Dr. Haddad is Chair of the Breast Medical Oncology practice at Mayo Clinic in Rochester. Her research focuses on experimental therapeutics and early-phase clinical trials for drug-resistant breast cancer, as well as the transformation of breast cancer survivor care with technology-enabled solutions. Dr. Haddad has been recognized as a "Top Doctor" by Minnesota Monthly Magazine (2015-2017).

KEITH L. KNUTSON, PHD

Dr. Knutson is a Professor of Immunology at Mayo Clinic College of Medicine and Science and director of the Mayo Clinic Cancer Center's Cancer Immunology and Immunotherapy Program. Keith currently has three FDA-approved vaccine trials underway and is a Principal Investigator of 3 grants to test vaccines aimed at preventing the recurrence of breast cancer, including triple negative breast cancer.

MARK R. MIGLIORI, MD, FACS

Dr. Migliori received his M.D. from Brown University and completed his residencies in General and Plastic Surgery at the University of Minnesota Hospital. His practice focuses on breast reconstructive surgery — helping women preserve their dignity during a time of fear and vulnerability. Dr. Migliori's excellence, generosity, leadership and compassion earned him the respect of breast cancer survivors, their loved ones and the community.

GREGORY A. PLOTNIKOFF, MD, MTS, FACP

As founder and Medical Director of Minnesota Personalized Medicine, Dr. Plotnikoff is dedicated to serving patients suffering from complex, severe and mysterious illness. A board-certified internist and pediatrician, he has received international and national honors for his work. Greg has advanced training in medical acupuncture, Kampo (traditional Japanese herbal medicine), hospital chaplaincy and mind-body medicine.

DOUGLAS YEE, MD

Dr. Yee is the director of the Masonic Cancer Center, University of Minnesota. A professor of medicine and pharmacology, he maintains an active clinical practice in the management of breast cancer and serves as principal investigator on several clinical trials. Dr. Yee has been recognized as a "Top Doctor" in Mpls. St. Paul Magazine (2012-2015, 2020) and "Best Doctors for Women" Minnesota Monthly Magazine (2011, 2014).
