ENCOURAGE. ENGAGE. EMPOWER.

An estimated 3,400 Minnesota women will be diagnosed with breast cancer this year. 630 will die.

Year after year, the volunteers at the Breast Cancer Education Association help educate hundreds of people affected by cancer.

Our breast cancer education empowers people by giving them the tools to develop confidence and feel in control of their journey in prevention, treatment and, ultimately, survivorship.

Through years of experience, we have found that it is only through comprehensive education that people can make informed health care decisions. And, it's only through your generous donation that our educational programs can reach people in need. With the ever increasing rate of breast cancer, the need for our educational programs has increased dramatically.

We believe that if you could help just one person to cope better with this diagnosis, you would.

Won't you help us ensure that our educational programs are available to help those who turn to us?

Visit us at www.BreastCancerEducation.org to make an on-line donation.

OUR COMMITMENT

Founded in 2001 by survivors Ann Harris and Lois Joseph, the Breast Cancer Education Association annual education conference and webinar series fulfill a need for a broad range of cutting-edge information about breast health. Our programs provide access to resources that help encourage, engage and empower those affected by breast cancer.

AN INVITATION

The Breast Cancer Education Association invites you to support our educational webinar series and annual conference.

The Breast Cancer Education Association is the only local resource that supports education, along with prevention and survivorship.

Please know that your donation dollars stay and work locally. To donate, make your check payable to the Breast Cancer Education Association or simply go to www.BreastCancerEducation.org.

Breast Cancer Education Association is a 501(c)3 Organization. Your donation is 100% tax deductible.

GET INVOLVED. VOLUNTEER.

Do you want to **MAKE A DIFFERENCE** in the lives of people who have been impacted by breast cancer? Would you like to **MAKE DIRECT CONNECTIONS** with others who are passionate about breast cancer education? Or, would you like to be one of the **FIRST TO KNOW** about cutting-edge breast cancer treatments and news? When you become a volunteer for the Breast Cancer Education Association, you'll get all of this and more!
